MARIJUANA LEGALIZATION:
QUICK FACTS

IN 2017 THERE WERE 8,300 NEW MARIJUANA USERS EACH DAY; ROUGHLY 1,200 MORE THAN THERE WERE IN 2016.³

There are 2x as many daily or near daily marijuana users than there were just a decade ago.³

Regular use of marijuana is linked with increased risk of developing cannabis use disorder, higher rates of mental illness and higher rates of co-substance abuse with alcohol, among other drugs⁴.

IN COLORADO, DRUGGED DRIVING WENT FROM KILLING ROUGHLY ONE PERSON EVERY 6.5 DAYS TO NOW EVERY 2.5 DAYS, SINCE LEGALIZATION WAS PASSED.⁸
