

SEPTEMBER IS NATIONAL RECOVERY MONTH

COMMUNITY AND CLINICAL STAFF PROGRAMS

Pathways to Recovery (Virtual)

Wednesday, September 7, 6:00–7:30 PM

There is no universal “right way” to find recovery after struggling with a substance use disorder or dual diagnosis. Sometimes we need to take a few different paths to find the right fit. We may need to engage in a combination of programs to ensure lifelong recovery. Our presenters will discuss various pathways to recovery along with personal experiences.

Presenter:

Kim Porter, CFRS, Executive Director, *Be a Part of the Conversation*

Opioid Epidemic and Narcan® Training (Virtual)

Thursday, September 22, 6:00–7:00 PM

Chester County Hospital has partnered with the Chester County Department of Drug and Alcohol Services to reduce the incidence of accidental drug overdoses. Join us to learn how to recognize and respond to an opioid overdose and how to access treatment in Chester County, PA. All attendees receive training on how to use life-saving Narcan® (naloxone) nasal spray. Free Narcan® will be made available for pickup by participants (Registration Required; Limited availability of Narcan®).

Presenters:

- Kate Genthert, Chester County Drug and Alcohol Services
- Ethan Healey, Paramedic, Project Naloxone Director, Good Fellowship EMS & Training Institute

Voices of Recovery (Virtual)

Wednesday, September 28, 12:00 Noon–1:00 PM

Come hear the stories of individuals currently in recovery from a substance use disorder. Hear more about their path to recovery and how they maintain their sobriety. There will be time for questions from the audience and discussion about the recovery process. Members from the community and healthcare professionals are encouraged to attend and participate in the discussion.
