Parent Partnership℠

supporting families impacted by addiction

Parent Partnership is a branch of the nonprofit organization, Be a Part of the Conversation.

Be a Part of the Conversation℠

When parents and other caregivers recognize that their loved one is struggling with substance use or addiction, we need support and understanding from those who have "been in our shoes." Parent Partnership meetings are led by volunteers with lived experience and take place every Sunday through Thursday.

Come once, once in a while, or as often as you like.

We are not professionals - we are simply parents helping parents. Meetings are friendly and confidential.
